Paper Assignment

- What do we have to teach you?
- Final paper assignment:
 - Due at 5 PM Friday, May 9, 2014
 - 1500-2000 words
 - Three choices

Slee vs. Friedman and Director Friedman

- Who was more convincing in providing a moral-philosophical perspective that you can use to frame economics, Tom Slee or Milton and Rose Director Friedman? What do you mean by “better”? Why do you think the one you choose is “better”?

Dasgupta vs. Krugman and Wells

- Who was more useful in providing you with an introduction to economics, Partha Dasgupta or Paul Krugman and Robin Wells? What do you mean by “useful”? Why do you think the one you choose is “useful”?

Further Reading

- Take two of the “further reading” suggestions that have been distributed throughout the semester. Explain:
 - how each of them draws on principles from, or
 - provides a critical perspective on what has been taught in this course, and
 - how what each of the two says reinforces or undermines what the other says.
